### **Show Rules**

The Inter-City Show is open to anyone wishing to enter.

Those wishing to enter who are not members of one of the host clubs should contact a Show Chairman at least one week prior to the show.

Plants entered in the show competition should have been in the owner's possession a minimum of 6 months.

Plants entered in the show should not be field collected.

All plants must be free of pests - the show committee may remove any unsuitable material from the Show or Sale at any time.

Exhibits should be marked with the owner's name not visible to the judges.

Exhibitors are responsible for placing entry cards with exhibits prior to the judging.

Awards and exhibits must remain until the end of the show, 5 pm Sunday August 8, 2021.

All judge's decisions are final and the show committee decisions are final.

The three host clubs and the show committee will not assume responsibility for the loss or injury of property.

The show committee reserves the right to move or adjust plants, categories or displays to improve or facilitate a better show.

All commercial growers or vendors in the Inter-City Show must either enter a display or enter a minimum of 10 plants in the Open class.

Inch measurements as indicated in the show categories refer to the inside diameter of the pot.

Plants with 30% or more Variegation, Crest or Monstrose may only appear in such categories except for variegation in Gasteria and Sansevieria.

A Rookie novice is one who has not shown more than 10 plants cumulative.

Plant stands may only be used in the Bonsai class or with plants that cascade below the bottom edge of the pot.

For odd-shaped pots, size is determined by adding the length and width together and dividing by two.
